Dear Mr. Simpson:

In reply to your letter of November 7, inquiring as to the membership of Milton Luboviski in our organization, I am happy to inform you that Mr. Luboviski became an associate member of D.K.A. five years ago at our annual honorary awards banquet.

D.K.A. is the national honorary film fraternity at the University of Southern California. We function mainly as a service organization to the Cinema Department. Membership is open to students with a grade point average of 3.0 or above in the field of Cinema. Honorary and Associate memberships are bestowed by the students to distinguished contributors to the film industry and its study at our annual banquet.

D.K.A. is proud to count among its members Milton Ludoviski, whose help in scholastic research has been invaluable to many of our students. Although there are no duties called for Associate Members, we know that Mr. Luboviski's help can always be counted upon when it is needed.

I hope this letter answers your questions; but if we can be of further service to you, do not hesitate to call on us again.

Sincerely,

*Mario E. Beguiristain*  
Mario E. Beguiristain  
President, D.K.A.
